**Adopted Regulations by State: As of March 15, 2017**

- **AL**: Effective January 1, 2017, producers must complete a one-time, 4-hour annuity training course before selling, soliciting, or negotiating annuity products in Alabama. Compliance with another state's training requirements that are substantially similar to this requirement will be deemed in compliance with Alabama's training requirement. Insurers must provide product-specific training. Producers who hold a life insurance line of authority on the effective date will have six months to comply.

- **AK**: Before selling, soliciting, or negotiating annuity products in Alaska, producers must complete a *one-time, 4-hour* annuity training course. Compliance with another state's training requirements that are substantially similar to this requirement will be deemed in compliance with Alaska's training requirement. Insurers must provide product-specific training.

- **AZ**: Currently this state has not adopted an annuity training requirement.

- **AR**: Currently this state has not adopted an annuity training requirement.
California
All resident and non-resident agents selling annuities must complete the California 8-Hour Annuity Training course. Thereafter, any resident or non-resident life producer who solicits individual consumers in order to sell annuities must complete a 4-hour specifically designated annuity training course every two years prior to license renewal. This requirement is part of, and not in addition to, the general continuing education requirements in California. Non-residents otherwise exempt from continuing education requirements are not exempt from annuities training as required per license term.

Colorado
Before selling, soliciting, or negotiating annuity products in Colorado, producers must complete a one-time, 4-hour annuity training course. Resident and non-resident producers may complete equivalent annuity training in any state.

District of Columbia
Before selling, soliciting, or negotiating annuity products in Washington D.C., producers must complete a one-time, 4-hour annuity training course. Resident and non-resident producers may complete equivalent annuity training in any state.

Connecticut
Producers holding a life line of authority who sell or wish to sell annuity products must complete 4 hours of one-time annuity training by 8/18/12. Producers who obtain a life line of authority on or after 2/18/12 and wish to sell annuity products must complete this training before selling annuity products. Insurers must provide product-specific training. Compliance with another state’s training requirements that are substantially similar to this requirement will be deemed in compliance with Connecticut's training requirement.

Delaware
Effective June 1, 2017, producers must complete a one-time, 4-hour annuity training course before selling, soliciting or negotiating annuity products in Delaware. Insurers must provide product-specific training. Producers licensed before the effective date must complete training by December 1, 2017.
Agents licensed to sell life insurance must complete at least 3 hours of continuing education in suitability in annuity and life insurance transactions each continuing education compliance period. Licensees may use these hours to satisfy their ethics continuing education requirements. If an agent has already taken hours in ethics, those credits will be applied to the agent’s general continuing education requirement or will be carried over to the next compliance period. Agents not selling suitability/annuities insurance are exempt from the annuities continuing education requirement.

Before selling, soliciting, or negotiating annuity products in Georgia, producers must complete a one-time, 4-hour annuity training course. Insurance producers who hold a life insurance line of authority before March 1, 2016 and who desire to sell annuities, must complete the 4 hour requirement before September 1, 2016. Individuals who obtain a life insurance line of authority on or after March 1, 2016 may not engage in the sale of annuities until the training has been completed.

Before selling, soliciting, or negotiating annuity products in Hawaii, producers holding life/accident/health or a sickness line of authority must complete a one-time, 4-hour annuity training course.

Before selling, soliciting, or negotiating annuity products in Idaho, producers must complete a one-time, 4-hour annuity training course. Nonresidents who satisfy the training requirements of another state that are similar to Idaho's law will be deemed compliant for Idaho's requirement.
