

FREE Anti-Money Laundering (AML) Course from SuranceBay

How to access SuranceBay's AML course.

To help you maintain your requirements to contract with carriers, SuranceBay offers a free anti-money laundering (AML) course to all producers with a SureLC profile. It's easy to do by following the steps below!

To take this course:

1. Go to your agency's SureLC login page and enter your credentials to access your profile.
2. On the home screen, select the My Info button.
3. At the bottom of the page, select the Training tab.
4. On the Training tab, click on the **Start AML Training** button. Select the **SuranceBay, LLC** option.

The screenshot shows the 'Start training with' dropdown menu in the SureLC Training interface. The menu is open, displaying a list of training providers with their respective costs. The 'SuranceBay, LLC' option is highlighted in blue and marked as 'FREE'. Other options include 'WebCE, Inc.', 'LIMRA', 'RegED, Inc.', and 'QuestCE, Inc.', all marked with a dollar sign (\$). The interface also features a 'Start AML Training' button with a graduation cap icon and a 'Reload' button with a refresh icon. A search bar labeled 'Type to filter trainings' and a 'Rescan' button are visible at the bottom.
