

Accelerated Underwriting

Life Insurance in the Fast Lane

Easier.
Smarter.
Faster.

What is Fast Lane accelerated underwriting?

Fast Lane accelerated underwriting can be a faster, simpler way for you to receive a life insurance offer. To do this, Fast Lane uses information you provide and information from consumer reporting agencies. All information gathered is used only to evaluate and underwrite your life insurance application.

Here's what you need to know to complete the application with your life insurance representative:

- Social Security number and date of birth
- Current and past use of tobacco products
- Medical history, including history of alcohol or drug use
- Family medical history
- Names and dosages of any current medications
- Name, address and telephone number of:
 - Current and past physicians and medical practitioners
 - Hospitals and other health facilities where you've been treated

Accelerated Underwriting

Easier.

If qualification guidelines are met, obtain permanent life insurance coverage of up to \$2M without medical exams or telephone interviews.

Smarter.

You will complete an application and authorization that allows us to use a variety of personal consumer information sources to complete FAST LANE underwriting process.¹

Faster.

Global Atlantic will verify the application is in good order and meets the criteria for FAST LANE underwriting.

¹ Some applications may be excluded from FAST LANE underwriting due to information uncovered in the underwriting process. For quality control purposes, Global Atlantic may choose to complete traditional underwriting on any application. If your application is subject to traditional underwriting, your agent will contact you for any additional underwriting requirements.
